Home Care Packages - Management fees explained

We are a not-for-profit aged care organisation

Joy, love, and hospitality are at the heart of everything our home care team do.

Our services are available to everyone, we don't distinguish between cultures, or beliefs, we care for anyone needing our support to stay in their own home doing the things they love. It's your choice as to what you need to be happy at home, we'll work with you to make it happen.

Catholic Homes helps older Western Australians to live independently at home.

Our dedicated and professional Home Care team offers support in navigating your home care options. No matter what level of support you need at home, the team will create a personalised package that allows you to continue to do the things you love.

Case management means daily support, coordination and direct availability of your Case Manager. This includes:

- reviewing the home care agreement and care plan
- coordinating and scheduling services
- ensuring the care aligns with other supports
- providing a point of contact for you and/or your support network
- ensuring care is culturally appropriate
- identifying and addressing risks to your safety

Package management means the ongoing tasks Catholic Homes does to deliver and manage a Home Care Package. This includes:

- preparing monthly statements
- managing package funds
- meeting compliance and quality assurance standards

Note: Catholic Homes DOES NOT charge a Daily Care Fee
