About us

Catholic Homes is a not-for-profit aged care provider that has responded to the needs of the Western Australian community for more than 50 years.

We are proud of our Christian heritage as we continue to serve older people whether it is in one of our independent living villages, aged care residences or in their own home as part of our home care service.

As a modern organisation comprising of talented people representing a diversity of backgrounds, ages and beliefs, the Board, staff and volunteers at Catholic Homes share the core values of joy, love and hospitality.

Our values are a strong foundation on which to build a community of care where abilities are nurtured, where everyone is enabled to make choices and take the opportunities that give them greater fulfilment and happiness. This is the basis of Catholic Homes' Care with Purpose approach.

We express who we are and what we do through the following statements:

Mission

Our Mission is to provide quality and compassionate care to older people, particularly those most vulnerable, in response to our call from a loving and creative God and guided by the healing ministry of Jesus.

Vision

To be recognised by the community as a leading provider of quality, personalised and holistic care for older people in need.

Identity

Our Care with Purpose model is founded on our belief that every person is unique, every life a sacred gift, every human being a unity of body, mind and spirit.

Values

We commit to creating a community of care where joy, love and hospitality are evident in our attitudes and actions.

JOY

We listen and respond to what brings life, hope and meaning to others.

LOVE

We give the most important gifts of love and kindness to everyone.

HOSPITALITY

We create a place where all are welcome and where people feel at home.

Benefits of life with us

**While our independent living villages are co-located with residential aged care, please note ILV residents are not automatically allocated places in aged care.*

Catholic Homes have four beautiful retirement villages located in Duncraig, Joondanna, Wilson and Bunbury.

Each village is unique, offering you the opportunity to live independently and enjoy life in a small caring community.

When you join our independent living community, you have peace of mind knowing your comfort, choice and security are paramount.

Your new home

Our villages are attractively landscaped and well maintained year round. Our fully self-contained villas bring a choice of one, two and three bedrooms, each with spacious living and dining areas, built-in wardrobes, well appointed kitchens and plenty of parking.

Being part of a larger aged care community, residents can share the many facilities on offer, including formal lounges, dining areas, library and activity rooms, and the benefits of a fully equipped commercial kitchen preparing meals daily.

Community living at its best

To make living with us enjoyable and easy, each village may offer a range of amenities and services:

- Hairdressing
- Community centres and social activities
- Transport to local attractions and events
- Onsite security patrols
- Pastoral and spiritual care
- Dedicated village coordinator.

Our villages are located alongside a Catholic Homes aged care residence*.

Why lease from us

One practical and easy way to secure independent living is to lease your villa.

Lease for life gives residents security of tenure and ensures the village is maintained at a high standard.

Your investment is secure knowing that the village cannot be sold for any other purpose than as a retirement village.

Choosing a rental

You're welcome to consider renting a unit from us. We offer a short-term rental lease of 12 months.

The current fortnightly cost for the rental villas on various sites is attached. The rent is payable in advance fortnightly on 'pension day' by direct debit.

A bond is payable and held by a Bond Administrator. Please note a non-refundable administration fee applies. See our financial information enclosed for more details.

Carefree living

We take on many chores so you can get on with the things you love. You do not have to worry about rates, water bills, or how the village is maintained. Your contribution helps us to deliver many services including:

- Building maintenance including external painting
- Grounds maintenance to common areas
- Shopping bus service to local shops
- Administration of the village
- Insurances for buildings and employees
- Security service.
