## About us

**Catholic Homes is a not-for-profit aged care provider that has responded to the needs of the Western Australian community for more than 50 years.**

As a modern organisation comprising more than 500 talented people representing a diversity of backgrounds, ages and beliefs, the Board, staff and volunteers at Catholic Homes share the core values of joy, love and hospitality.

These values are a strong foundation on which to build a community of care where abilities are nurtured, where everyone is enabled to make choices and take the opportunities that give them greater fulfilment and happiness.

This is the basis of Catholic Homes' Care with Purpose approach to wellness.

We are proud of our Christian heritage as we continue to serve older people whether it is in your own home, one of our Independent Living villages or Residential Care homes.
